PROVINCIAL
GOVERNMENT
GRANTS
AVAILABLE TO ALBERTANS

INTRODUCTION

The purpose of this booklet is to consolidate brief descriptions of selected provincial government programs which provide funding assistance to individual Albertans.

Programs for large businesses, institutions and most public bodies are not included in this publication. But community groups, small businesses (for example, sole proprietorships or partnerships), farmers, ranchers, individual researchers, scientists, consultants--all may find something here.

For further information about programs listed, please contact the responsible department.
